Dear Community Partner,

The Mammoth Lakes Firefighters Foundation will be hosting its 48th annual picnic for the community of Mammoth Lakes on Sunday, July 29, 2018 at Shady Rest Park from 11:00 am - 3:00 pm. As always, we are looking to our community partners to help put on this event. Our picnic is a fun way for the people of Mammoth to get together with free games, food and activities for kids. Your support is what makes this event possible. Not only will you be showing your support for The Mammoth Lakes Firefighters Foundation, but also for the community of Mammoth Lakes.

When you support this event, you will be helping The Mammoth Lakes Firefighters Foundation in its mission to: "promote and support education, a safe community, and volunteerism." The Mammoth Lakes Firefighters Foundation provides these services through scholarships, charity, educational programs, and support for volunteers. Last year the Mammoth Lakes Firefighters Foundation: hosted two welcome dinners for the Wounded Warriors, helped make Christmas brighter for needy families through the Angel Giving Tree Program, gave out scholarships to Mammoth High School graduates, and supported Mono County Little League and Mammoth High School sports.

This year we hope to raise enough funds to also start refurbishing Engine 1. Engine 1 is a 1946 Dodge fire engine that was used for fire service in Mammoth in the 1950's. Today it is used primarily for community events like our annual picnic, the 4th of July parade, and educational events. Engine 1 is a part of Mammoth Lakes history and we would like to preserve that history for the next generation of Mammoth Lakes residents.

The Mammoth Lakes Firefighters Foundation is a recognized 501(c) (3) nonprofit organization. We hope we can count on you to support our picnic, our community, and the Mammoth Lakes Firefighters Foundation.
